# Sticks 'n' Sushi – London

Savouring surrounded by softly draped fabrics.

## Starting Point

«Sticks 'n' Sushi» is a Danish restaurant chain specialising in serving sushi and yakitory sticks in rooms with a contemporary design. When furnishing a new restaurant on Sir Simon Milton Square, they wanted Scandinavian elements to fuse with the spirit of Japanese cooking.

## Solution

The SONOR curtain, with its natural linen finish and sophisticated look, perfectly integrates with this high-end environment. In addition, it creates an airy partitioning of the open plan concept and brings a pleasant atmosphere to the room.
